# PUBLIC NOTICE

## PAYMENT OF TAXES IN RIVERS STATION

Determined to deliver world-class services to the people of Rivers State even in the face of dwindling returns from the Federation Accounts, the Rivers State Government through its Ministry of Finance has introduced a convenient and user-friendly tax payment procedure.

The state aims at increasing its Internally Generated Revenue to cater for administrative costs and provision of modern infrastructure. This is in line with the desire of a new fiscal regime that will guarantee financial INDEPENDENCE and SELF-SUFFICIENCY.

All tax payers are advised to take immediate steps to utilize this Win-Win situation by visiting their local banks and requesting for their VISA Cards. Presently, all Local Government Headquarters in the state and all branches of First Bank, Skye Bank and Zenith Bank shall have Card Acceptance Devices and Point Of Sales Terminals which can be used for payments. This will no doubt mean convenience for the tax payer with a firm promise of introducing many more centres soon.

Please partner with us as we get set to make history in Nigeria and run an accountable, responsible and responsive administration in Rivers State. Yes! We have the WILL and we BELIEVE that with you and God on our side, success will surely come.

**HON OSINAKACHUKWU IDEOZU (JP)**
