

Two Years In Office

The Peoples' Governor!

Hon. Chibuko Rotimi Anasochi
Governor, Rivers State

Avatars come once in a while
 To change the course of history
 It is clear that for Rivers people then
 God had to trust you as an avatar to
 change things in our horizon
 And knowing that the gift of God
 added no sorrow but only blessings
 Our people true to type have never
 seen it so good like this
 Our roads are under renovation
 Health sector being enhanced
 Our educational system
 witnessing new things
 What of youth empowerment
 It is clear that your blue print on
 social rehabilitation gave rise to
 the amnesty question
 We are grateful to God for
 bringing you
 As we rejoice with you and your
 administration
 And wish you many more years in
 service to humanity

Signed

Hon. Ojukaye Flag-Amachree

Executive Chairman, Asari-Toru L.G.A
